A nameless prostitute is rescued and finds herself in the Land of Freedom. But prostitution was the only life she had known, and now she must chart her own course, an objective more easily said than accomplished. Yet as unanchored as she feels, someone watches over her. As adrift and directionless as her life seems, someone guides her. As damaged and scattered as her world has become, someone loves her and does everything in his power to show her that life is never hopeless.

It is one of my personal favorite books. It is one of the most incredible ebooks I have got to go through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).
