

Deepening Involvement 1945-1965: The U.S. Army Campaigns of the Vietnam War

Filesize: 1.88 MB

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.To many Americans, the war in Vietnam was, and remains, a divisive conflict. Now almost fifty years after the beginning of major U.S. combat operations in Vietnam, the war has faded from much of America's consciousness. Over half of the U.S. population was born after the war and has no direct memory of the conflict, yet this does not lessen its importance. The massive American commitment-political, military, and diplomatic-to the independence of South Vietnam beginning in the 1950s and continuing with U.S. direct combat operations in the 1960s and early 1970s makes it important to remember those who served. U.S. involvement in this corner of Southeast Asia began after World War II when Vietnam was fighting for independence from France. Although generally favoring Vietnamese independence, the United States supported France because the rebels-or Viet Minh-were led by Communists and in the days of the Cold War U.S. officials considered any and all Communists to be little more than the puppets of Moscow and Beijing. France's defeat in 1954, the bifurcation of Vietnam into a Communist North and non-Communist South, and America's assumption of the job of training the armed forces of the newly created non-Communist Republic of Vietnam pulled the United States deeper into the conflict. Framed primarily as a fight to defend democracy against the forces of international communism, the United States gradually committed more troops and materiel to fight Communist-led Southern guerrillas (or Viet Cong) and the regular military forces sent to South Vietnam by the politburo in Hanoi. By the time President Lyndon B. Johnson committed major combat units in 1965, the United States had already invested thousands of men and millions...
