PREPARING STUDENTS FOR TESTING AND DOING BETTER IN SCHOOL

Skyhorse Publishing, United States, 2015. Paperback. Book Condition: New. Reissue. 279 x 216 mm. Language: English . Brand New Book. Help students master test taking through preparation strategies that lead to academic success! As the stakes on high-profile student tests such as the SAT continue to rise, student preparedness is becoming increasingly important. As a result, helping students do well on tests and succeed in school has become a top priority for teachers. This indispensable guide responds to this need by providing resources to promote content learning and test-taking abilities in middle and secondary school students. This practical text provides charts, checklists, Internet resources, and sample exercises for teachers to use with students, plus a final test covering content from each chapter. Using research-based practices, educators will be able to help students develop * Strategies for dealing with test anxiety * Effective time management and organizational skills * Note-taking and study techniques applicable across content areas * Methods for taking essay and objective tests Tests are often a source of anxiety for students and teachers alike, but they don t have to be! Use these proven tools and strategies to help your students develop the skills and confidence that lead to positive academic experiences.
