Across Tierra, the eleven Crculo de la Torres now had absolute control over the entire continent, via the Brom Compact. Some of the children of Felix Brom play a role in this tale. The towers and Compact has brought peace for these thirty years, but they have also created powerful new weapons. The Crculo de mentes has evolved. Nine members funnel their power into a tenth, who then uses the combined power of all ten to carry out his work, while an eleventh person monitors their ten bodies. Running upwards of four Circles per each of the eleven towers, immense strides have been made during the past thirty years. Many inventions hold potential, such as air cars emulating the aliens shuttles but powered by mentales. However, in 1130, a new alien arrives to take over the governorship of the space port. Governor Lech Kuba discovers some of the secrets of this world, namely their abundance of telepaths. In the galaxy, true telepaths are invaluable and thus he allows a black market traders to confiscate some of these priceless telepaths, kidnaping them, taking them to other worlds within the...

Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehended almost everything using this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
