Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Ancient Basket Makers of Southeastern Utah The southwestern part of the United States is noted archmo logically for its cliff dwellings and pueblos. The cliff-houses are more numerous in Colorado, Utah and Arizona, but the largest group of ruined pueblos is situated in one of the broad cations of northwestern New Mexico. These homes Of the ancient people, though differing greatly in form and situation, as well as the cave lodges and boulder houses Of the Old river beds, were doubtless the result Of environment, and were probably, to a certain ex tent, occupied contemporaneously. The numerous problems suggested by these ruins have been studied by careful investi gators, and exploration work has served to verify many hypo thetical conclusions and to disprove as many more; but the work may continue indefinitely, for each season brings to light some new problems of importance, and it is one Of these that will be considered in this paper. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
