Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Conspiracy Against Silver, or a Plea for Bi-Metallism in the United States It seems almost incredible that any intelligent body of men can be found in the United States who are willing to join in a conspiracy against the business interests of this nation; and yet one cannot review the history of the past few years, nor listen to the assertions of the monometallists, without coming to just that conclusion. I say assertions - for the history of the past seven years has proven every statement made by the gold men in regard to silver to be false; and yet the old war cry, Down with the silver dollar, is kept up by this gold party with a persistence worthy of a better cause. The world has looked on while nation has plundered nation; cities have fallen and temples have been plundered by rapacious rulers that the glory of their own kingdoms might be advanced but where on the face of the earth was there ever a meaner sight than that of a monarch plundering his own kingdom, destroying his own subjects, that he might revel amid his golden treasures, while his subjects starved for bread! What, then, are we to think of a set of men who for the purpose of their own aggrandizement would impoverish a nation by destroying one-half of its te sources? No nation under the shining sun has a fairer future than these United States of America, whose shores are bathed by two mighty oceans, whose climate has every varying change, from the tropics to the poles; whose mountains are teeming with gold and silver; whose rivers ?ow through fertile valleys, and whose plains are...
