Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Soul Truth is a collection of channeled writing and spiritual wisdom through which the author has gained during her own personal awakening. These messages originate from the spirit and energy of love and their purpose is to awaken the memory in each of us that we are all one and that love is our natural and authentic state of existence. This book reminds us that fear is merely a tool used by the human ego to keep us from experiencing the joy and peace that come from staying grounded in our natural state of love. Using metaphors that are current and relevant to our modern world, the author re-introduces age old concepts such as faith, gratitude, and forgiveness. Her metaphors are fitting and beautiful but so simplistic at the same time, making it easy to absorb and understand. The Soul Truth gives evidence of our oneness, not only with each other, but with the entire universe. Reverend Marcy Ellen reminds us that we are all connected and interdependent, and that by excluding any part of the human race for any reason, we are only hurting ourselves.
