This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. When did you last have enough free time to carefully create, develop, and test a therapeutic concept or teaching method to improve the help you provide to your patients? With The Therapist's Notebook, a compilation of original ideas by practicing clinicians, you can tap into the knowledge and experience of seasoned professionals to give your clients tangible, field-tested assignments that will represent their work and progress in therapy. Appropriate for practicing marriage and family therapists, psychologists, social workers, and other therapists of any professional affiliation who deal with children, adolescents, adults, couples, or families, this dynamic handbook provides you with handouts and homework activities that are quick and easy and require little effort or experience to use. The Therapist's Notebook is a valuable resource for both experienced and novice clinicians. Established clinicians will know how to fit each chapter to a particular clientele, while uninitiated clinicians or trainees will appreciate how the ready-made materials help their clients and spur their own creativity...
