Group Simply Youth Ministries, 2012. Paperback. Condition: New. Language: English . Brand New Book. Teenagers live in a sex-saturated world. And for many of them, sex has become a purely physical act, fully divorced from spirituality, love, and commitment. Sex, pornography, and hooking up are all met with the same response: It s no big deal. Too many of our students don t know where to turn to learn about sex, leaving many feeling confused, fearful, and alone. Teenagers who struggle with sexual addiction or unhealthy patterns don t know how to find freedom and healing from the choices they ve made, and they re afraid the church will label them as perverts if they re open and honest about their deepest struggles. But amidst these sobering realities, there is good news: Youth workers are on the front lines of the battle to shape, challenge, and encourage teenagers toward sexual wholeness and purity. The Volunteer s Back Pocket Guide to Sex will help you as you aid students in navigating a path that honestly addresses all the challenges they might face, while honoring God along the way. Authors Craig Gross--founder of XXXchurch.com--and Cris Clapp Logan--an Internet safety expert, artist, and writer--don t sugarcoat the realities, and they don t hold back in bluntly, honestly tackling the toughest topics, including pornography, sexuality, masturbation, and purity. Using God s truth as the foundation for the conversation, they ll equip you with practical information and powerful strategies to help you become a volunteer youth worker who helps teenagers live wisely and walk in freedom!.
