Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

SHAKSPERE WEIGHED IN AN EVEN BALANCE, VOL. 2 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Shakspeare Weighed in an Even Balance, Vol. 2 In submitting this little volume to a Shakspeare-revering public, the author has but little to remark by way of preface. Of course he does not expect that every one who peruses this work will look upon all the coincidences there noted, between Holy Scripture and Shakspeare, as designed and intentional on the part of the Poet; and he is fully aware that some of the instances of coincidence brought forward will, naturally enough, appear less marked and striking than others. He cannot, however, help thinking that a work like the present, may have the effect of at least turning the thoughts of the lovers of our national Poet into a new channel, and of inducing them to carry on for themselves the interesting comparison here initiated between England's Bible and England's Poet.
