

Counter-Unconventional Warfare: White Paper (Paperback)

By U S Army Special Operations Command

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hybrid Warfare involves a state or state-like actor s use of all available diplomatic, informational, military, and economic means to destabilize an adversary. Whole-of-government by nature, Hybrid Warfare as seen in the Russian and Iranian cases places a particular premium on unconventional warfare (UW). As such, a response capitalizing on America s own irregular and unconventional warfare skills, as part of a whole-of-government and multinational strategy, can best counter actions of emergent adversaries to destabilize global security. Counter-Unconventional Warfare (C-UW) should thus prove central to U.S./NATO security policy and practice over the next several decades.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
