Science and Belief: The Big Issues (Paperback)

By Russell Stannard

Lion Hudson Plc, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. This book presents the arguments behind the key issues of science and belief in a simple and impartial way to enable readers to make their own informed decisions on what they believe. Eminent scientist Russell Stannard presents nine chapters - creation, evolution, intelligent design, extra-terrestrial intelligence, psychology, morality, miracles, the anthropic principle and the relationship between science and belief - each of which opens with quotations from ordinary people expressing typical views on all sides of the argument. Stannard follows by delving deeper into the issues, presenting the case for all sides and asking questions to enable the reader to make their own mind up.
