Shred Tech. Volume III: How to Play the Guitar Fast: Speed Primer

By Tim Scullion

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 108 pages. Dimensions: 10.9in. x 8.3in. x 0.4in. This guitar instruction book is a speed primer that takes you through graduated techniques to play the guitar fast. Unlike other exercise books, Shred Tech. addresses ways for any player, no matter the level, to achieve their own personal maximum speed of playing the guitar through proper technique and using the right pick. The various exercises help improve your playing both two and three-note-per-string scales as well as the legato style techniques of hammer-ons and pull-offs, string-skipping, two-hand tapping and a bonus section on how to train yourself to play a difficult part of any song. This is a must have for lead guitarists wanting to take their playing to the next level! Guitarist Tim Scullion, who has received accolades for his playing from Steely Dans vanguard guitarist Elliot Randall, has a masters degree in education and has spent years teaching the guitar as well as playing, writing, and producing. The idea behind the book is to teach the fine motor skills of playing the guitar fast; but this book is more than a book of exercises, it teaches the...
