Spurious Liberalism--Modern Instances. There is no surer way of drying up this great stream of self-help and self-reliance, than to teach the working classes that they should look, not so much to their own efforts, but to the state or the municipality. -- Professor Fawcett. The popular cry now is for the state to override the man ; for legislation to supply the place of open competition and free personal action. -- Joseph Cowen. Democracies should leave as little as possible for the state to do. Every citizen should prevent, as much as possible, any control over individual energy. --Bradlaugh. It is proposed to mitigate or extirpate poverty by governmental regulation of industry and accumulation. The substitution of government direction for the play of individual action, and the attempt to secure by restriction what can better be secured by freedom. . Whatever...
