Daring to Choose is about the fact we can't choose what hits us in life but we can choose to heal through those challenges. We can gain momentum from the very darkest moments that blindside us in life. We can remain stuck or we can choose to feel peace and joy once again. Choosing You - we begin the path to healing; Choosing Momentum- we start the steps to feel vital and alive today, right now; Choosing Forgiveness- we release the bitterness and feel compassion for the people who have hurt us; Choosing Love- we see the bigger picture, and that we have a greater capacity to love and accept love; Choosing Trust - we ask for support from our friends and family, knowing that we have a wonderful support system that wants us to succeed; Choosing Healthy Boundaries - we gain wisdom in knowing that when we first respect and love ourselves, we establish wonderful healthy relationships with others; Choosing Health - we strengthen our bodies through our diet and exercise so that we can be at our optimum health and vitality; Choosing to Ask and Receive - we awaken our spiritual eyes to see the beauty of God's creative answers around us; Choosing Grace- we receive God's gifts to be authentic and transparent; Choosing Gratitude - we understand that being grateful allows us to appreciate other people's gifts graciously and lovingly. Choose Thriving- we break out of who we were and into our OPTIMUM SELF and sharing it with others.
