

Williams: The legendary story of Frank Williams and his F1 team in their own words (Paperback)

Filesize: 4.66 MB

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

Ebury Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. A story of true drive - now the topic of a major documentary Founded in 1977 by Sir Frank Williams and Patrick Head, Williams F1 represents the last of the true independent teams; a company devoid of corporate dogma and run by enthusiasts driven by a love of racing and the satisfaction that comes with beating the rest of the world. Since its first Grand Prix victory at Silverstone on 14 July 1979, the team has won a further 116 GPs, delivered seven World Champions - among them Nigel Mansell and Damon Hill - and won nine Constructors Championships. This is the definitive history of the Williams team as told by those who have worked for Williams past and present. At the heart of the book are Sir Frank's personal recollections, along with memories and anecdotes from those at every level: from the shop floor to the upper strata of management; from the mechanics and machinists to the drivers - Mansell, Hill, Alain Prost and Alan Jones among them. It relates both the incredible highs of winning against the odds while never shying the terrible lows - the tragic deaths of Piers Courage in 1970 and Ayrton Senna in 1994 among them. Conveying the history and soul of a unique band of people, Williams F1 explains exactly why the Williams team is held in more affection than any other team in Britain, if not the world.
