Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.

It was not till long after the story was published that my own brother--who had voyaged in Southern seas--wrote to draw my attention to the fact that the cocoanut is nearly as large as a man s head, and its outer husk is over an inch thick, so that no ordinary penknife could bore to its interior! Of course I should have known this, and, perhaps, should be ashamed of my ignorance, but, somehow I m not! I admit that this was a slip, but such, and other slips, hardly justify the remark that some people have not hesitated to make--namely, that I have a tendency to draw the long bow. I feel almost sensitive on this point, for I have always laboured to be true to nature and to fact even in my wildest flights of fancy. This reminds me of the remark made to myself once by a lady in reference to this same Coral Island. There is one thing, Mr. Ballantyne, she said, which I really find it hard to believe. You make one of your three boys dive into a clear pool, go to the bottom, and then, turning on his back, look up and wink and laugh at the other two. No, no, not laugh said I, remonstratively. Well, then, you make him smile. Ah! that is true, but there is a vast difference between laughing and smiling under water. But...
