A HISTORY OF ENGLAND (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A History of England This work is designed as a text-book in English history for those who desire a course of moderate extent. Though comparatively brief, it omits no essential facts in the historical narrative, and it gives sufficient prominence to those features whose importance entitles them to such a consideration. The basis of the work is the chapter on England in the well-known Elements of History by Dr. Joseph E. Worcester, for many years a very popular text-book in extensive use in American schools. It has been thoroughly revised and rewritten, and enlarged by important additions and by a fuller treatment of such portions as seemed to demand it. Such corrections and modifications have also been made as had become necessary in view of the light of historical research and criticism since the original work was written. The aim of the Editor has been to prepare a convenient manual, that shall serve as a guide to both teacher and pupil in an intelligent study of English history, and to present the subject in such a way as to remove from the pupil all inducements to make the study one of memorizing and routine, to assist the teacher in encouraging independent study and investigation, and to enable him to apply frequent tests of the pupils work and knowledge.
