You, friend, are no Sisyphus. You may have your boulders. We all have our boulders. But we don t all have to push. Step off that pathway and watch that boulder roll on by. It will come to rest someplace. It will not be going any place soon. It will be there if you want it. - His Only World The Logic of Meteors is a peculiar look at how weather is, more frequently than not, a peripheral character in the lives we lead.
