Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Matheny reviews the historical background to contextual theology as well as various approaches. He explains how it works in practice, why contextual theology is good theology, and why a healthy contextual theology will shape the future of theology by reviving biblical images and perspectives found in world Christianity. It is an accessible read and will be a very helpful resource for students,...
