Doing Social Psychology: Laboratory and Field Exercises (Paperback)

By -

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2002. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book ***** Print on Demand *****.This collection of classroom-tested laboratory and field exercises engages students and their instructors in a thorough exploration of central problems and topics in social psychology. The book is divided into three sections: technique demonstrations, technique applications, and problem investigations. Each section includes exercises on topics such as questionnaire design, interviewing, speech style, the observation of children, eyewitness testimony, and co-operation and competition. Students are provided with the necessary background knowledge of each social phenomenon investigated to make their research effort involving and meaningful. An instructor's manual accompanies the book and provides the supplementary information instructors need to organise the exercises for their students.

Reviews

These kinds of ebook is almost everything and got me to searching forward and a lot more. It usually does not price excessive. Its been written in an exceedingly basic way and is particularly only following i finished reading through this pdf through which in fact modified me, alter the way i really believe.
