FLASHED! (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A novel is a love affair, with its ups and downs, but a short story can sometimes be nothing more than a one night stand, a brief date, or a quick kiss in the dark. Flashed! is a collection of 36 very short, flash fiction stories and a handful of love poems by J.M. Snyder, best-selling author of gay erotic romance. Each vignette is a glimpse into the lives and loves of very different couples. Some erotic, some bittersweet, every story in this collection celebrates a passion found only between two men. From drag queens to college hoops players, veterans to rockstars, one time lovers to lifelong companions, men at work to men in tights, there s a little something for everyone in this collection. Some of these stories were once posted to the author s blog or appeared online elsewhere, but fans will find many new stories -- and characters -- to love once they ve been Flashed!.
