Reviews

It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

InterVarsity Press, United States, 1996. Paperback. Condition: New. 2nd Print-On-Demand ed.. Language: English . Brand New Book ***** Print on Demand *****. Free at last! It has been more than forty years since Martin Luther King Jr. shouted those words to a crowd gathered in Washington, D.C. His speech, I Have a Dream, is now familiar, even famous. But has his dream been realized? In *Free at Last?* Carl Ellis offers an in-depth assessment of the state of African-American freedom and dignity within American culture today. Updating and expanding his examination (previously published as *Beyond Liberation*) for a new generation of readers, Ellis stresses how important it is for African-Americans to know who they are and where they have been. So he begins by tracing the growth of Black consciousness from the days of slavery to the present, noting especially the contributions of King and Malcolm X. He also pays particular attention to traces of a theological soul dynamic, an authentic manifestation of Christianity in Black culture, which runs through American history. It is this dynamic faith, says Ellis, that promises true freedom--the realization of King's dream--for African-Americans today.
