HENRY KNOX: VISIONARY GENERAL OF THE AMERICAN REVOLUTION (PAPERBACK)

Palgrave MacMillan, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Here is a compelling portrait of the Revolutionary War general whose skills as an engineer and artilleryman played a key role in all of George Washington's battles including the Siege of Boston (where his use of cannons at Dorchester Heights won back the city) and the Battle of Trenton (where he was in charge of Washington's crossing of the Delaware River). Knox became a major advocate of the U.S. Constitution and served as the nation's first Secretary of War. He was co-founder of the U.S. Navy, laid the foundations for the U.S. Military Academy at West Point and negotiated treaties and set policy with Native Americans. With nail-biting battle scenes, patriotism and deep understanding of his subject, Mark Puls breathes new life into the American Revolution and firmly assigns Knox to his deserved place in history.
