Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

SIMON SCHUSTER, United States, 2011. Paperback. Book Condition: New. Reprint. 192 x 130 mm. Language: English . Brand New Book. Twelve year old Isabel is dying to get out of Willow, Oregon (population 39, 257) and experience something other than her small town. It seems that everyone gets to travel except Isabel--even her best friend, Sophie. When Isabel s mother decides to open up a cupcake shop across town, Isabel is once again stuck in Willow for the summer as she tries to help her mom get the shop up and running. But when Isabel learns of a baking contest where the finalists get an all-expense paid trip to New York City, she realizes this is her chance to finally get out of Willow. Except there are two major roadblocks to this plan: Sophie, who also is entering the contest and is always the best at everything, and her own mom, who wants her to enter the contest on her terms.Can Isabel manage to finally do something for herself, without losing her best friend and further straining her already tenuous relationship with her mother? In this sweet coming-of-age story from popular teen author Lisa Schroeder, Isabel discovers that it s not about where you go in life as much as it is about enjoying the view wherever you are.
