

Stone Age Tales: The Great Flood (Paperback)

Filesize: 6.33 MB

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Valentin Hane MD)

STONE AGE TALES: THE GREAT FLOOD (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. From the best-selling author of Horrible Histories. 9500 years ago, as the Ice Age is ending. Jay's grandfather is old, maybe twice as many summers as he has fingers and toes, but he is wise too. Jay loves to sit in their house by the river and listen to his stories of the Great Spirit and the Earth Mother. But outside, danger is at their door; food is getting scarcer, tribes are at war, and all the time the river water is rising. A brand new and exciting tale, based on real historical and archaeological evidence, this story is full of Terry Deary's imaginative style and dry wit.
