Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. This eagerly awaited fifth book in John Maddox Roberts s Edgar-nominated historical mystery series once again takes the reader back to the Rome of Julius Caesar and the Roman Senator Decius Caecilius Metellus the Younger. Decius has won himself a reputation as both an investigator and, most unfortunately, a bit of a playboy. Having been banished by his family for sometimes embarrassing activities to a rather leisurely lifestyle on Rhodes, he is puzzled to be suddenly and unexpectedly summoned home to assist in an investigation. Quintus Caecilius Metellus Celer, a relative of Decius and his family and the head of a powerful political clan, has been poisoned, and his infamous wife, Clodia, is immediately suspected of disposing of her rather inconvenient husband. Not entirely convinced of Clodia s guilt, Decius delves into the intricacies of Rome s ruling class and discovers that a clandestine, forbidden witches cult is inextricably intertwined with some very highborn people. A trial for Clodia would be most unwelcome, as it could bring to light some well-kept secrets. To get to the bottom of the corruption that accompanies the intoxicating allure of this ancient city, Decius must form an uneasy alliance with Clodius, Clodia s brother and his sworn enemy, and be extremely careful not to step on any toes.
