Friesenpress, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you up for a hairy ride and some chuckles on the side? Rat and Mouse (characters from my book entitled RAT) face new adventures when they are booted out of their ideal summer home on a farm. They are forced into the city where they meet an interesting cast of characters: mean gangster rats, gophers in an underground community, gum-chewing fashion rats and fast food junkies, among others. As Rat and Mouse explore a garbage dump, a retirement home, a city park, a computer store, a golf course, and even a toll-free mini subway safety and dehydration remain life-threatening concerns. Along the way Mouse experiences love and addiction, while Rat learns a thing or two about his own personal limits and what it means to be a friend. Even though Rat thinks he knows it all, he finds that he does have to rely on his little mouse pal to survive some strange predicaments. Pick up a copy of There s a Rat in This City for a tale of fun, fright and action.
