Dolores Ayotte, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Volume 3 Inspirational Short Stories As I enter into my twilight years, I want to permanently shed my insecurities and enter this final stage of my life with as much grace and wisdom as humanly possible. I have been an observant student for the majority of my life. Perhaps now, after all these years, I can get into the driver s seat and call myself a good teacher. I have succeeded in learning to teach without classroom walls and I have now written my own motivational books to go along with this philosophy. This experience has been extremely liberating for me. I hope by reading what I have to say and by incorporating some of my suggestions into your life, you too can find a sense of true freedom and peace. At the end of each chapter, there is an opportunity for personal reflection. I recommend that you take a moment to personally consider the questions posed and how my words can make a difference in your life. There is no need to rush through this inspirational book. It is meant to be read slowly, pondered upon, used as a stepping stone to reflect upon its content, its message and how it applies to each of you in your own life. I also want you to realize that my voice is only a soft whisper. Please hear it this way. It s from my heart to yours. Maya Angelou s words mirror my exact sentiments. The idea is to write it so that people hear it and it slides through the brain and goes straight to the heart.
