Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Learn to be successful by better understanding yourself and others! Your Social World Explained shows exactly how you can learn to better understand yourself and your role in society. By getting to the root cause of your challenges as a personality type, you can easily learn to overcome them and find true happiness and success. Through following the advice outlined in Your Social World Explained, you may find that many of your interpersonal problems simply disappear! With these methods, you ll find you can resolve family issues without the need for professional counselling, reaching a new peace of mind. Benefits of methods included in Your Social World Explained range from learning how to become a do-it-yourself relationship counsellor, to discovering ways to optimize interactions with people based on their psychological type, to exploring practical ways to get the best out of various social groups! Your Social World Explained has numerous useful applications, providing you with a sound basis for understanding what affects others perception of you--and how you can use this understanding to your advantage. This powerful self-mastery book will provide you: Increased self-knowledge, which increases self-awareness, thereby leading to self-actualisation Reduced need for external help with interpersonal relationship issues Enhanced psychological comfort when dealing with others Increased equilibrium Your Social World Explained encompasses a broad set of methodologies and disciplines, including: Socionics - a branch of psychology based on Carl Jung s work on psychological types, Freud s theory of the conscious and subconscious, and Antoni Kepinski s theory of information metabolism Sociology - the science or study of the origin, development, organization, and functioning of human society Social Psychology - the study of the manner in which personality, attitudes, motivations,...
