Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you like a bargain? The best place to find one is at a yard sale! Follow the women of Carson City, Nevada as they go bargain hunting until they come to the yard sale from hell. This sale will get you raped and murdered and your naked body dumped in the sagebrush and sand on the outskirts of town. The shifting desert sand does not give up any clues to Sheriff Dick Long. He must find where this brutality is taking place. His only link is that the women frequented yard sales. June Jackson, a hired private investigator, joins in the hunt. Long s and Jackson s problem is the scattering of yard sales over all of the city and the time it will take to canvass the vast area. In the meantime, how many women will die as they race against time?.
