Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Eating the Italian Way The real love of good food is deeply rooted in Italy, as is an unfeigned, genuine love of art. In every region, the cuisine strikes a profound harmony with the climate, with the beauties of the landscape. It varies from city to country and from town to town, just as does the mercurial Italian temperament. Compare them, for a moment. In the north, there is the hearty abundance of Piedmont, of Liguria, Lombardy and Veneto, rich with the opulence of the good earth, and impregnated with the divine aroma of the northern vineyards. In the central triangle Rome, Florence, Ancona we find a perfect balance, a gastronomical harmony achieved perhaps nowhere else on earth. For variety, we have only to slip down to Naples and the Amalfi coast, to linger over the knowing sobriety of home cooking in the southern provinces, and to taste the rare and exotic traditional fare of the Islands. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
