

Extended Family: Long Lost Cousins: A Personal Look at the History of Primatology (Paperback)

Filesize: 5.51 MB

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).
(Miss Golda Okuneva)

EXTENDED FAMILY: LONG LOST COUSINS: A PERSONAL LOOK AT THE HISTORY OF PRIMATOLOGY (PAPERBACK)

[DOWNLOAD PDF](#)

Conservation International, U.S., United States, 2008. Paperback. Condition: New. Language: N/A. Brand New Book. Working from an encyclopedic knowledge of primates throughout human history, Colin Groves provides a quick-reading narrative that serves equally well as an introduction for new students or an illuminating refresher for experienced researchers. Supporting its easy flow are decades of research; a lifetime of scholarship has been expertly condensed into a survey of primates in Western science, and by extension their treatment in European art, society and philosophy. Colin Groves is as familiar with ancient Mediterranean texts and the foibles of Linnaeus as he is with the intricacies of modern-day systematics. He is best-known for his taxonomic surveys, but he has observed primates across Africa and tropical Asia, and his unique amalgam of perspectives - the behavioral, the historical, the morphological - informs every page. At the very least, *Extended Family* should be included in every introductory course to primatology and physical anthropology, for its deft summary of the evolution of those entwined disciplines - and experienced primatologists will find *Extended Family: Long Lost Cousins* a valuable resource as well, for its straightforward assessments of competing theories and their proponents. Best of all, *Extended Family: Long Lost Cousins* is written in an easy, conversational tone, often threaded with wry humor and accessible to a broadly varied audience. It is a glittering kaleidoscope of a book - bright, colorful, always in motion - and, like Michael Jordan at his best, only Colin Groves could make it look so easy.
