

Kant and Liberal Internationalism: Sovereignty, Justice and Global Reform (Paperback)

By Antonio Franceschet

Palgrave MacMillan, United Kingdom, 2014. Paperback. Condition: New. 1st ed. 2002. Language: English . Brand New Book. This close examination of Kant's writings shows him to be both a conservative partisan of the international status quo of sovereign states and yet also the inspiration for radical, global reform for democracy and universal rights. The focus on Kant's concept of justice provides insight into the contemporary evolution of liberal internationalism, connecting Kant's legacy to the post-Cold War policy agenda and the moral dilemmas that currently confront political leaders and the societies they represent. Franceschet forces a reconsideration of Kant and a broadening of concern from democratic peace to cosmopolitan justice.
