The Old Fairy Tales

By James Mason

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. J Moyr Smith, Rafael Ferran (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Preface. THE times of fairies and such like people now are over. Fairies, and giants, and dwarfs have fled to the stars at least so they say and have carried with them all the invisible coats, and magic swords, and flying ships that were upon earth, for these things belonged to them alone. They have left us only the remembrance of their being here, and many surprising stories about the things they did whilst living among men. In this book you will find the best of these fairy tales. They are very old, as you may suppose, and have amused boys and girls, and grown-up people too, for a longer time than you can imagine. Your father and mother read them; your grandfathers and grandmothers did the same, and most of your ancestors probably knew them. by heart. Though they have often been published before, I hope you will think this the best collection that ever was brought out. The artist has drawn pictures for it with the...

Reviews

It is just one of the most popular ebook. It normally will not cost too much. I am very easily could get a pleasure of looking at a composed publication.
