Booksurge Publishing, United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.How can Reality be One when it is patently obvious that we are all separate beings? Can Reason entertain a reality different than that of the Materialism that pervades our thoughts? Our belief in a world external to ourselves, filled with people and things that are not us, is an overwhelming fact of our existence. But similarly, our absolute certainty that there is more to reality than just this physical world is a spiritual fact that bears more truth than any other in our lives. We seek to explain this spiritual nature as some metaphysical reality, accepting the constraint of Science that will not allow for any usurpation of the actuality of the physical universe. And we flounder trying. Once we allow our thoughts to be forced into some metaphysical realm, we find ourselves at a loss to explain that single most important validation of spiritual truth - the undeniable presence at the heart of our existence. This is the spiritual truth that we seek, and it is not to be found in the physical reality of Science. The physical reality of Science is to be found in it! An Introduction to Awareness is a philosophical journey that takes the reader into the heart of this pure presence of nondual reality - a reality in which the spiritual is not metaphysical, but actual, in which physical reality is a machine in the ghost. This pure presence that we cannot deny is the awareness that lies at the heart of our experiences and thoughts. This irrefutable truth is used as a starting point in a processual analysis of awareness, and of our ideas about existence and self, leading...
