

Ancient Babylonian Medicine - Theory and Practice

By Markham J. Geller

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Ancient Babylonian Medicine - Theory and Practice, Markham J. Geller, Utilizing a great variety of previously unknown cuneiform tablets, Ancient Babylonian Medicine: Theory and Practice examines the way medicine was practiced by various Babylonian professionals of the 2nd and 1st millennium B.C. * Represents the first overview of Babylonian medicine utilizing cuneiform sources, including archives of court letters, medical recipes, and commentaries written by ancient scholars * Attempts to reconcile the ways in which medicine and magic were related * Assigns authorship to various types of medical literature that were previously considered anonymous * Rejects the approach of other scholars that have attempted to apply modern diagnostic methods to ancient illnesses.

This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
