DE QUINCEY S LITERARY CRITICISM (PAPERBACK)

[DOWNLOAD PDF](#)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From the INTRODUCTION De Quincey has in our day no reputation as a literary critic. He lives for the world as the English Opium-Eater, for the student as the writer of a rare kind of imaginative prose. Yet his critical work gives a fuller revelation of his many-sided genius than his more purely imaginative writings, and it has a high intrinsic value in its sincerity, its subtlety, and, to use a word which De Quincey himself applied to the highest function of literature, its power. He was well equipped at the outset for the business of criticism. His subtle intellect was wedded to an imagination lofty and penetrating in a rare degree, and to this natural endowment he had added, by the time that he started upon his desultory career as a critic, an immense store of learning gathered from books, and a very real and intense, if limited experience of life. With all this, his achievement as a critic is disappointing. Every reader of De Quincey is familiar with the element of caprice that is present in his best work, in his imaginative prose-pieces he is apt to tumble his reader without a moment's warning from the heights of impassioned contemplation to the flats of mere commonplace. A consummate master of stately rhythm, and a reverent and discerning user of words, he will yet, when the whim seizes him, have a shy at his patient reader (to use his own expression) with a jaunty colloquialism or a raw slang phrase. And the subject fares no better than the style, - at one moment receiving serious attention, at another put at the mercy of an unceremonious jest, or carelessly dropped...
