Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Johann Wolfgang von Goethe is widely considered the most important German writer, but that would truly belittle the span of his work. In fact, Goethe dabbled in poetry, drama, literature, theology and philosophy on a global stage, taking a great interest in world literature and culture. For that reason, he is a worldly figure, not simply a German one. Today Goethe is best remembered for his magnum opus, Faust, a two-part drama still considered one of the world's greatest works. Goethe is also celebrated for many of his poems, including the Bildungsroman Wilhelm Meister's Apprenticeship, and novels like The Sorrows of Young Werther.
