Ex Parte Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Take a misguided tour of the writer's mind through the fourth wall, Dear Reader, in this new, funny twist on the psychological crime novel. Brilliantly placing himself as the lead character in the story, you never quite know what events actually occurred and which are fictional. I am continually baffled by the sheer amount of talent in Chazz's world building and wordplay. He is a true master of his craft. Alex Kimmell, author of *The Key to Everything* After a decade away from his home in Brooklyn and running from big mistakes, Chazz returns to find his father's mind in chaos. His ailing dad isn't the man he was. As family secrets are revealed, Chazz discovers he never knew his father at all. Sometimes when you find yourself, you wish you had stayed lost. Writers and readers alike will love a struggling writer's take on the writing life as he bumbles his way forward (and back to 1990s New York.) Regular readers of Chute's work will find extra fun in the Easter eggs sprinkled from his other books (and if you're new to Chazz, don't worry, you won't notice). At the end of the book is a secret link and password so readers get a little more behind-the-scenes view of what's real and what is not in *Intense Violence, Bizarre Themes*.
