Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One of the beauties of life is the surrender to the vagaries of chance and happenstance. Who is to say what your future will hold? Love? Life? Discovery? Magnets and mysteries? Constellations and conversations? Soft curves and comets? You may meet the love of your life, or the love of your time, or the life of your time, at any moment, and just before that you will have no idea your life, your outlook, your universe and world, is about to change. And then, it does. So keep your eyes open. Keep your mind open. Keep your heart open. You never know what you may find, awaiting you. These poems are for those who have found love and who are still searching, with open eyes and open hearts. I wish you well on your journeys. Enjoy the trip.
