Parenting Press. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 9.0in. x 5.3in. x 0.3in. How sexual molesters target kids, how they describe sexual contact as affection, and what parents can do to protect their children is what Sandy Wurtele talks about in a new book from Parenting Press. Out of Harms Way, a concise overview by a psychologist who studies child sexual abuse, skips the scare tactics and provides realistic recommendations for parents and caregivers. Wurtele, who heads the undergraduate psychology program at the University of Colorado in Colorado Springs, explains that creepy-looking strangers aren't the most likely molesters. Using information from predators that she interviewed, Wurtele spells out what behavior to watch for among friends, relatives, coaches, teachers and others who your children know. This 32-page paperback is the latest of Parenting Press's guides to children's personal safety. All new material drawn from Wurtele's decades of work on child sexual abuse, Out of Harm's Way replaces Protect Your Child from Sexual Abuse: A Parent's Guide, written by the late Janie Hart-Rossi. How safe is your young child from sexual abuse? Parents, are you prepared to protect your young child from sexual abusers? If you're like most parents, you could use more information. It's tough to know where to begin or how to think about the problem in a calm manner. Out of Harms Way can fix that. This book provides you with an inside look at childhood sexual abusers. Find out who abusers typically are, Explore how they think, Discover how they groom children, Learn what will make your child off limits to an abuser. It may surprise you to learn that children who have been taught about healthy sexuality and body safety are empowered to resist sexual exploitation. Follow the simple steps and...
