Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Everything you need for OCR Year 1 Ethics, Philosophy of Religion and Religious Thought (Christianity) is contained in this concise and accessible and highly focused book. It s both a revision guide and a real alternative to a textbook, written by highly experienced teachers and interacting with it s own website. This is a new approach to studying a challenging subject which is a must have for both student and teacher. To buy these three books separately would cost over 30. -- The New Spec Revision Guides (2016 onwards) for Year 1 provide an in depth summary for the key content for all three OCR papers. Key confusions to avoid are clearly identified, the chief authors and their critics quoted, and a summary of possible future questions is provided. The guide interacts with the Peped website which gives full answers to the exam questions, predictions for this year s paper, and further self-test revision exercises and activities. This book is simply a must have. I can read it anywhere, even during class because it is light and easy to navigate. JM, Canterbury.
