This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

Anything-but-Ordinary Publishing. Paperback. Book Condition: New. Paperback. 270 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. Shadow Assassins, Book One: Radical separatists, created at the onset of the Great Conflict, have been made obsolete by years of peace. They live in their subterranean Shadow Maze and only emerge when its time to breed. For Varrik, that time is now. Varrik, current leader of the Shadow Assassins, knows his people are on the verge of extinction. If they cannot adapt, they will die. Yet if his son were a direct descendant of the High Queen it would secure a place for future generations. Protecting his people is his first priority, so Varrik assembles a hunting party and kidnaps the royal twins. He is determined to claim the eldest for his own. Echo, the younger princess, knows her pampered sister will never survive the sexual appetites of their virile captor. Echo doesnt understand the powerful attraction she feels for Varrik, but drawing his attention is a far better choice than allowing him to overwhelm her twin. She doesnt expect to find him fascinating or to crave the demanding passion he ignites. Can a dominating warrior and his willing captive bring light to the Shadow Maze

Then it became apparent that I didnt have one new book; I had a new series. Royal Obsession is part paranormal romance, part capture...
