THE RELENTING HEART OF GOD: CAN THINGS REALLY CHANGE? (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a study about the relenting nature of God s heart. I have come to appreciated the great truth of God s sovereignty and unchangeable nature. This, however, does not mean that things in life can never change. God is not inflexible. Blessings can be restored where cursing was decreed. Unused gifts can be stripped away. Judgement can be replaced with pardon. There is a certain flexibility in the purpose of God. My experience of God and that purpose can vary. Prayer and faithfulness can bring great change in our lives. The relenting heart of God is a source of great comfort and hope but it is also a warning for all who would take this great truth for granted.
