A Thrice-Told Tale: Feminism, Postmodernism, and Ethnographic Responsibility (Hardback)

By Margery Wolf

Stanford University Press, United States, 1992. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Thrice-Told Tale is one ethnographer's imaginative and powerful response to the methodological issues raised by feminist and postmodernist critics of traditional ethnography. The author, a feminist anthropologist, uses three texts developed out of her research in Taiwan—a piece of fiction, anthropological fieldnotes, and a social science article—to explore some of these criticisms. Each text takes a different perspective, is written in a different style, and has different outcomes, yet all three involve the same fascinating set of events. A young mother began to behave in a decidedly abhorrent, perhaps suicidal manner, and opinion in her village was sharply divided over the reason. Was she becoming a shaman, possessed by a god? Was she deranged, in need of physical restraint, drugs, and hospitalization? Or was she being cynically manipulated by her never-do-well husband to elicit sympathy and money from her neighbors? In the end, the woman was taken away from the area to her mother's house. For some villagers, this settled the matter; for others the debate over her behavior was probably never truly resolved. The first...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
