William B Eerdmans Publishing Co, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Was Jesus ever married? Yes, indeed, says Addison Hodges Hart, who boldly asserts that the church's tradition has always regarded Jesus as married - but not in the way that recent sensationalist writers have claimed. Rather, Christ is the Bridegroom of the Woman in John's Gospel. In this book Hart explores John's rich, poetic imagery, particularly the metaphorical significance of the Woman, embodied and imaged by Mary the mother of Jesus, the Samaritan woman, and Mary Magdalene. Hart shows what this image reveals about salvation, personal holiness, and the church as a whole. Inspired himself by the writings of early church fathers and medieval theologians, Hart presents John's Gospel as an incarnational, sacramental text and shows that it is primarily a revelation of salvation, deeply mystical and intended to lead its readers into a living relationship with the One who is the Bridegroom of his people. **ADVANCED PRAISE:** The best books are short and deep, and *The Woman, the Hour, and the Garden* is just such a book. . . With the help of Christian art and piety Hart shows that `woman is an icon of the gathered community, which leads to the bold conclusion that Christ is indeed married and has taken a bride, the church. This is a book for meditation, to be read slowly with the text of the Gospel in hand. - Robert Louis Wilken, University of Virginia.
