Ebury Publishing, United Kingdom, 2007. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Islands are unique - their very isolation allows them to be different. Unforgettable Islands to Escape to Before You Die takes you to the most spectacular islands on the planet. Some are remote, others you will never have heard of. Some are more familiar but are shown in a way that will surprise and intrigue you. From the ancient rock island of Kubu in the middle of a salt pan in Botswana, to thriving Hong Kong Island; from the quiet remoteness of the Stockholm Archipelago to the frenetic festival on Sagar Island in the Ganges in India and even from the snowy wastes of Svalbard in the high Arctic to the deserted shores of Socotra off the coast of Yemen this book will show you a world you probably never knew existed but won't be able to resist exploring. Brought to you by the same team as the internationally bestselling Unforgettable Places to See Before You Die, this lavishly illustrated and evocatively written book that will educate and inspire both the experienced and armchair traveller alike.
