Filesize: 3.6 MB

Reviews

Thorough information for pdf fans. It really is rally interesting throgh looking at time. I am easily will get a satisfaction of studying a published pdf.

(Autumn Bahringer)

CANADA IN THE GREAT WORLD WAR, VOL. 1 OF 6: AN AUTHENTIC ACCOUNT OF THE MILITARY HISTORY OF CANADA FROM THE EARLIEST DAYS TO THE CLOSE OF THE WAR OF THE NATIONS (CLASSIC

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Canada in the Great World War, Vol. 1 of 6: An Authentic Account of the Military History of Canada From the Earliest Days to the Close of the War of the Nations This armour-clad white man was Samuel Champlain, the first European to behold the sheet of water which bears his name. In his journal he gives an account of what followed his appearance in front of the Iroquois war party. He writes: I looked at them, and they looked at me. When I saw them getting ready to shoot their arrows at us, I levelled my arquebuse, which I had loaded with four balls, and aimed straight at one of the three chiefs. The shot brought down two, and wounded another. On this, our Indians set up such a yelling that one could not have heard a thunderclap, and all the while the arrows flew thick on both sides. The Iroquois were greatly astonished and frightened to see two Of their men killed so quickly, in spite of their arrow-proof armour. As I was reloading, one of my companions fired a shot from the woods, which so increased their astonishment that, seeing their chiefs dead, they abandoned the field and fled into the depths of the forest. Champlain by attacking the Iroquois won the friendship of the Algonquians and Hurons. But unfortunately those tribes were no match for the Iroquois, and Champlain's act was destined, in the end, to result disastrously for New France. Years of savage reprisals resulted in the loss of valuable lives, in indescribable atrocities, and in disastrous destruction of property. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
