

Mapographica: Art, Culture and Sport: Global festivals, creativity and entertainment in maps and infographics (Paperback)

Filesize: 7 MB

Reviews

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at at any time of your time (that's what catalogs are for regarding when you check with me).

(Retha Frami V)

MAPOGRAPHICA: ART, CULTURE AND SPORT: GLOBAL FESTIVALS, CREATIVITY AND ENTERTAINMENT IN MAPS AND INFOGRAPHICS (PAPERBACK)

Hachette Children's Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. This is not just another atlas! From the biggest movie producers around the world to the most attended festivals; from astounding architecture - ancient and new - to global sporting achievements, Art, Culture and Sport takes a unique look at our globe. Using innovatively designed maps alongside infographics, graphs and icons, this book explores the bigger picture of topics such as cultures around the globe, scientific achievements, amazing sporting feats and the arts. Explore in-depth what the relationship is between fashion producers and consumers, who the most-read authors are around the world, how a country's education rates compare to their amount of Nobel Prize laureates and which foods and drink are most popular in different cultures. The maps not only give an overview of location, but also provide a wealth of fascinating information that is beautifully designed. Written and illustrated by the award-winning Jon Richards and Ed Simkins, this book is another perfect example of how innovative design can deliver facts and figures in an absorbing and immediate way.
